### ***Next Meeting: Welcome Back***

Monday 4<sup>th</sup> September is the first evening of the new session after the Summer break.

The programme currently shows this evening to be the presentation of the inter-club competition with Earl Shilton Camera Club that we collected images for earlier in the year. Unfortunately, we do not currently have the judges comments to go with the presentation, so we will have to hold this over until later in the year, possibly October or November.

Instead of this, we want everybody to bring along a maximum of 6 images taken during the summer to represent what members have been up to in the break. Maybe also, any digital manipulation that has been carried out could be the subject of discussion.

### ***AGM***

October 2<sup>nd</sup> brings this year's AGM. This is your opportunity to make your views known about how the Club should progress and what you want to see in the programme. A formal notice convening the AGM will be sent to members in the next week or so, inviting nominations for Officers and topics for changes to Rules and Constitution. If you have any such suggestions, please let myself or Pat know before Sunday 10<sup>th</sup> September.

### ***Future Competitions***

Some upcoming competitions that we should be entering require

pictures from club members. These are the Knightshayes Trophy, Kingswood Salver and WCPF Inter Club Digital Image Competition. These are summarised below:

### **Knightshayes Trophy:**

Subject: "The Magic of Light"

This is open to individual members of WCPF Clubs – maximum of 2 slides and 2 prints, mount size 50 x 40 cm. To have been taken in the last 2 years. Closing Date 25<sup>th</sup> February 2007. This may seem a long time away, but time flies!

### **Kingswood Salver:**

An inter-club print competition for a panel of 5 prints, no member being allowed to enter more than one print. Closing date for entries is 29<sup>th</sup> October 2006.

### **Digital Projected Image Competition**

25 images from the Club, no more than 5 from any one member. Images must be less than 350 MB in size (JPEG quality 7 or so) with a size no greater than 1024 pixels wide by 768 pixels high. Closing date is early in the New Year.

### **Ace of Clubs**

Open to Clubs in the local area, consisting of seven slides from seven members. Circulated on a postal basis, slides will be away for 6-9 months. Closing date early October.

Please think about the above competitions and try to produce some entries to help our reputation within the WCPF

See You Monday, Jim
